

Allergen Statement:

We try our best to accommodate any special dietary needs, and upon request we can carefully prepare special-order allergen-free items. While we practice excellent food separation and cleanliness, please keep in mind that we are not a dedicated allergen-free bakery. Because we use nuts, soy, and wheat in our kitchen, there is a possibility of cross contamination for all other items, even those that do not contain ingredients with any given allergen. Our kitchen is always an egg and dairy-free environment. Please use your discretion when ordering if you or someone you love has a food-sensitivity.
